

The discursive programme **WIR SIND ALLE** **Programme at ICI Berlin**

BERLINER: 1884-2014 commemorates 130

years of the Berlin Conference and proposes a space for deliberation on the repercussions of this crucial event, offering thereby an occasion to analyse the ideological, economic, political, and humanitarian justifications that underlay colonialism and still frame the asymmetric relations between the West and the non-West today.

– Friday, 27 February 2015
