

### **SAND Journal,**

Berlin's newest English literary journal will unveil the first issue of poetry, prose, translations and art at the ICI Berlin Institute of Cultural Inquiry. Spanning a wide breadth of material and styles from both local and international writers and artists, **SAND's** mission is to capture and portray a slice of the multifaceted creative movement going on in Berlin.

The program will include readings and spoken word performances by some of **SAND's** contributors, followed by a reception. The journals will go on sale for 5 Euros at readings and in bookstores.

For more information, or to get in touch with the **SAND** team, visit [www.sandjournal.com](http://www.sandjournal.com)

The reading and reception are held in cooperation with the ICI Berlin Institute for Cultural Inquiry.
