

**Workshop**  
**22–23 November 2021**  
**14:00–18:00**  
**in English**

As part of the ICI Berlin's core project, this interdisciplinary ICI Fellow workshop aims to reflect on reduction as a concept, as a method, and as an aesthetic. It asks what it means to perform reduction, how it relates to our world, how it can be used as a lens for research, and what it can perform as a strategy.
